

Third Party Domain Terms

Terms, conditions and policies for external domain registries.

We use Freenom, Hexonet and Namecheap to register all domains.

As well as the registration terms of MediaBlaze Hosting Limited, domains are subject to the registration terms and conditions of the relevant registry and which may change from time to time.

Regardless of who your domain name is registered with, you can manage your domain via your client area.

Freenom (OpenTLD B.V.)
